## Propulsion

Engine	Yanmar 4JH4-THE marine diesel engine 110hp @ 3,200RPM 4 Cylinder, turbocharged, intercooled, indirectly cooled. RCD 1 / EPA Tier 2 compliant Hydraulic reversing marine gearbox
Fuel	Diesel
Fuel capacity	120 litres

## Accommodation

Drinking water capacity	20 litres
-------------------------	-----------

## Description

The Beneteau Antares 6 is the entry level, diesel inboard engine cruising boat in the Antares range. Cleverly designed below decks to provide comfortable accommodation for 2 with separate heads compartment and galley area. On deck the design features a number of cockpit layouts to suit different uses with all layouts featuring wide side decks to provide access forward.

CASSIE is a lightly used example of the Beneteau Antares 6 featuring the 'saloon' type cockpit layout with wrap around seating. Bought by her current owner earlier in 2023 she is now reluctantly offered for sale. Her inventory includes

Yanmar 4JH4-THE, 110hp diesel engine  
Victron Blue Smart Battery Charger (2023)  
Raymarine Elements chart plotter (2023)  
Icom IC M330 DSC VHF (2023)  
Quick electric anchor windlass  
Twin axle, galvanised road trailer

Wintering ashore on her trailer in Craobh Marina the Beneteau Antares 6 CASSI is available for immediate viewing.

## CONSTRUCTION

### Hull Construction:

Single piece GRP moulded hull  
Polyster GRP laminate.  
GRP formed internal structural members  
White gelcoat to finish topsides

### Deck & Superstructure Construction:

GRP moulded deck incorporating forward coach roof and wheelhouse superstructure with cockpit gunwales  
GRP moulding to form cockpit sole and internal sole with furniture units  
Polyester sandwich construction with high density foam core  
Moulded non-slip textured panels to finish decks and cockpit soles  
White gelcoat finish to all mouldings

Rudder:

Single stainless steel plate rudder

## MACHINERY

### Engine & gearbox:

Yanmar 4JH4-THE marine diesel engine

110hp @ 3,200RPM

4 Cylinder, turbocharged, intercooled, indirectly cooled.

RCD 1 / EPA Tier 2 compliant

Hydraulic reversing marine gearbox

Single lever mechanical morse control

### Maintenance & Performance:

Engine last serviced spring 2023 (boat hardly used 2023)

Less than 500 hours of running recorded on the engine

### Propulsion & Steering:

Stainless steel prop shaft

Dripless type stern gland

3 blade bronze propeller

## ELECTRICAL SYSTEMS

### Voltage Systems:

12VDC onboard power system

230VAC shore power system

### Shore Power:

Extension lead to connect to shore supply

Single 16 amp connection point

3 pin UK sockets, battery charger, engine space heater and fridge

### Battery Banks:

1x 12VDC lead acid battery

### Charging:

Victron Blue Smart Battery Charger (2023)

230VAC – 12VDC, 15amp

### Alternators:

Single engine mounted alternator 12VDC, 125amp

### Other Electrical:

12VDC charging socket at helm station

Windscreen wipers for port and starboard forward facing windows

## PLUMBING SYSTEMS

### Fresh Water:

Manually pumped fresh water tap in galley area

### Bilge Pumps:

Manual bilge pump

Electric bilge pump

## TANKAGE

### Fuel:

Single diesel tank

Plastic tank construction  
Approximate capacity 120ltrs

Fresh Water:  
Single removable can type tank  
Approximate capacity 20ltrs

#### NAVIGATION & COMMUNICATION EQUIPMENT

At Helm Station:  
Plotter – Raymarine Elements chart plotter (2023)

Communications Equipment:  
DSC VHF – Icom IC M330 (2023)

#### DOMESTIC EQUIPMENT

Heads:  
Porta Potti type chemical toilet

Heating:  
230VAC tube heater in engine space

Lighting:  
Overhead lighting throughout interior  
Cockpit light under eye brow aft of wheelhouse door  
Navigation lights  
Anchor light

Entertainment:  
VDO Dayton Radio/CD/MP3 head unit  
Speakers in wheelhouse

#### ACCOMMODATION
